

## Lewis County Department of Public Works

Josh S. Metcalf, PE, Director  
Tim D. Fife, PE, County Engineer

Date: February 13, 2020  
To: Prospective Material Supply Manufacturers  
From: Rod Lakey, Project Manager (Lewis County Public Works)  
RE : PRECAST CONCRETE BRIDGE MATERIAL PURCHASE  
CMP 1502 COUSINS ROAD MP 3.15 CULVERT

This information is provided to prospective material supply manufacturers reviewing the Cousins Road MP 3.15 Culvert precast concrete bridge material supply currently being advertised for sealed bids due February 18, 2020. Requirements of this bid request include guardrail design and hardware embedded into the precast slab girders (for rail construction by others). Embedded inserts into the slab girders can be designed and certified by a Registered Engineer in Washington State. Alternatively, manufacturers may propose to use previously crashed tested designs approved by the Federal Highway Administration (FHWA) as applicable to this project. Please see the following link for valid devices eligible roadside safety devices that may be applicable to Cousins Road MP 3.15 slab girders:

[https://safety.fhwa.dot.gov/roadway\\_dept/countermeasures/reduce\\_crash\\_severity/listing.cfm?code=long](https://safety.fhwa.dot.gov/roadway_dept/countermeasures/reduce_crash_severity/listing.cfm?code=long)

Once again, this information is supplied as an option for use if all conditions outlined in the FHWA eligibility letters are satisfied. If you have any question on this project please contact me via telephone at 360-740-2780 or email (Rodney.Lakey@lewiscountywa.gov).

Sincerely,

Rod Lakey, PE  
Senior Engineer
