

The County's Responses to Questions During Advertisement for the Cowlitz River Public Access Point Project, CMP 15-1606

Contractor Questions and LC Answers
From Bid Call until noon on July 28, 2021

1. Q: Please clarify if Rule 171 taxes apply to this project or not.

A: Rule 171, Contract Special Provisions Section 1-07.2(1) does not apply to this project.

Additional information: Rule 170, in Contract Special Provisions Section 1-07.2(2), applies to this project due to improvements onto "Real Property" owned by Lewis County. Lewis County will include Washington State Sales Tax (WSST) on payments to the Contractor. A line item for WSST will likely be added to the Proposal via project addendum. This anticipated addendum will also include the updated Washington State Prevailing Wage Rates and Benefit Code Key information if/when they become available.
